## ZORB®

Zorbing is one of the most exciting inventions of the past decade. At promotional events, company incentives, family days or shows, the possibilities of Zorbing are varied, exciting, safe and always new.

Thrills  
and laughter  
guaranteed!

Whether you operate a water park, hotel, campsite or leisure center or even a ski resort, AQUATEC Europe supports professionals by offering a new product, called the **ZORB®**. It is a giant bubble composed of two spheres linked together by numerous ropes. An optional variant is a cylindrical tube that provides entry on both sides.

» **Zorbing: to enjoy the extreme sport experience without training or special equipment!**  
The ZORB® allows to roll, bounce or float across water or land. It is an extreme amusement for almost everyone who wishes to get a good portion of adrenaline and fun!

» **Choose from a highest quality range of original ZORB® products:**

- Aqua Walkers
- Aqua Lounge
- ZorPin
- Body ZORB® aka Bubble Soccer
- Cylinder ZORB®
- The classic original ZORB® SphereIQ

**You wish to offer a recreational activity and a unique experience (to your guests), contact us for more information.**
